

Global eTraining Implementation

As a trusted training partner, Global eTraining drives engagement and success beyond implementation through dedicated **Customer Success Managers** (CSM). Your CSM is important to strong use of training and will be pleased to collaborate with you to:

- Host the proven GeT Ready, GeT Set, Go! Implementation planning session with key stakeholders to ensure alignment, define success measurement criteria and create communication and engagement plans.
- Provide monthly metrics and internal marketing to drive learner adoption/engagement.
- Offer special engagement incentives and contests.
- Hold quarterly executive review meetings with all stakeholders to drive engagement.

Critical Factors for Successful eTraining Implementation
